

Resume ILUP – Partnership Projekt of the Adult Education Centre Olching (vhs)

Objectives

To increase tolerance, respect and understanding between European countries and towards minorities and migrants by taking cultural pluralism into consideration.

To point out that improving cultural knowledge and the learning of languages are two of the most significant tasks to ensure better understanding, peace and freedom in Europe

To consider special problems in teaching languages to migrants from different cultural backgrounds.

To offer language teachers information and material for the teaching to EU citizens, migrants and minorities

To emphasize the role of schools at all levels to increase understanding between different cultures

To fight xenophobia and increase respect for different peoples and cultures.
